Renault G-Type engine - Wikipedia
renault espace 2003 2.2 dci, fuel injection system faulty warning when engineunder stress e.g going up hill, if i use semi auto and change gear manually letting it rev high in each gear the warning does not come on as often but inevitably it does. had new egr valve but no change to symptoms, a restart clears the fault and although it does not go into limp mode there is a noticable loss of boost and power especially when moving off.

The best thing about the Renault Espace is the view. You sit behind a panoramic windscreen, broken only by two slim screen pillars. (The strength is in the pillars behind them.) And you look out over the most stylish instrument display of any car you can buy. What do owners think of the Renault Espace (2002 – 2012)? Check out our Owners' Reviews from people who live with the car day in, day ...
