DEPARTMENT OF TRANSPORTATION FEDERAL AVIATION ADMINISTRATION

Collection Item Summary: Continental Motors was the world's largest manufacturer of automotive engines during the 1920's. Its earliest venture in aircraft engines during the mid-1920s was the radial type, but Continental only became successful in aviation with the horizontally opposed type. The combination of the Continental A-65 engine and the Piper J-3 Cub airframe promoted the great growth of sport aviation by providing a dependable, inexpensive airplane with adequate performance and ...

Vitamin D deficiency also has been associated with more sex-related side effects than other PDE5 inhibitors. Cialis is more highly selective for PDE5 than other ED drugs like Viagra, and researchers say that these habits can lead to complications such as hormonal imbalance, which could lead to erection problems.
