Remotes can vary in price for different models, so here's a little secret: All of our IR remotes work with all of our TV's. You can pick any IR remote you like and it will work with your TV, even if your TV isn't listed as a compatible model for that remote. Because of this, we recommend the BN59-01301A. This is one of the newer and cheaper models (around 12 dollars on samsungparts.com) and offers basic functionality, if that's all you need.
